MAKE A STATEMENT

Jai

The school bus driver was named Jai — it rhymed with chai. It meant heart in Lao.

The school bus driver reminded himself of his name and its meaning, even as his wife called him another.

He reminded himself that Jai meant heart. While no one here knew that, it mattered to him that he did.

The School Bus Driver is from the award-winning story collection *How to Pronounce Knife*, written by Canadian author Souvankham Thammavongsa.

Told with compassion and wry humour, these stories honour characters struggling to find their bearings far from home, even as they do the necessary "grunt work of the world."
