Tri-Agency Open Access Policy on Publications

2015 - 2025

Option 1: Publish in a journal with immediate open access or open access within 12 months

Option 2: Archive the peer-reviewed author-accepted manuscript in a repository within 12 months

See: [Tri-Agency Open Access Policy](#) (2015)

Coming 2026* [[draft](#) revised proposal]

Acknowledgement

- Cite Agency name + funding reference in all outputs

Repository Deposit

- Deposit article in a Canadian institutional repository at time of publication
- Use *Version of Record* or *Author-Accepted Manuscript*, under an *open license* (Creative Commons or equivalent)

Preprints

If deposit is restricted, openly licensed preprints accepted. Should be noted as *unrefereed version*.

*See also: [Policy feedback summary](#) (Sept. 2025)

FIND OPEN ACCESS JOURNALS

- ✓ Are you familiar with the journal/publisher?
- ✓ Confirm affiliations and contact details for publisher and editorial board.
- ✓ Look for clear author guidelines on the website.
- ✓ Review the journal's peer review process.
- ✓ Verify any publishing fees.
- ✓ Ensure articles are indexed and discoverable.

Tip: Use [Find by Citation](#) to see which MacEwan Library databases index a journal.

Find by Citation (Citation Linker)

Find a specific journal article, journal or book by citation information.
For best results, include a title, ISSN, ISBN, DOI or PMID.

SCHOLARSHIP SUPPORT GRANT

FUNDING | FACULTY | YEAR ROUND

The Office of Research Services may provide additional support to faculty whose research and creative activities do not meet the objectives of other internal funding.

The internal Scholarship Support Grant proposals need to address **MacEwan University's Strategic Vision**. Eligible activities include:

- 1 Matching Funds for External Award Applications
- 2 Enhancement of Re-applications for External Funding
- 3 Partnership Development of Collaborative Research or Creat
- 4 Knowledge Mobilization and Outreach
- 5 Commercialization

This application is not in PeopleSoft. Please download the application at research@macewan.ca.

APPLICATION FORM

| Scholarship Support Grant Amount: Maximum \$10,000

“Funding support for publication costs is limited to article processing charges in FULLY open access journals that are **listed in the Directory of Open Access Journals** (<https://doaj.org>). Hybrid journals, journals that embargo open access content, or require authors to sign over copyright are not eligible for support. Applicants must be the lead or corresponding author and provide confirmation of expenses. Retrospective expenses will not be accepted. Funding support of up to **\$2500 CDN** is allocated per article. Any amount over the \$2500 CDN limit will be the responsibility of the author.”

OPTION 2: Explore library discounts and waivers to cover open access article processing charges.

General Properties

By Function

Support for Open Science

Name	Status	Description
AAS Open Research	Open	AAS Open Research is a platform for rapid publication and open peer review for researchers supported by the AAS and programs supported through its funding platform, AESA.
Advance (Sage preprint)	Open	Advance: a SAGE preprints community allows researchers within the fields of humanities and social sciences to post their work online and free of charge.
AfricArxiv	Open	AfricArXiv is a community-led digital archive for African research, working towards building an African-owned open scholarly repository; a knowledge commons of African scholarly works to catalyze the African Renaissance.
AgEcon Search	Open	AgEcon Search is a free-to-user Web site that contains the full text of working papers, conference papers and journal articles in applied economics, including the subtopics of agricultural, consumer, energy, environmental, and resource economics.
AgriRxiv	Open	agriRxiv (pronounced 'agri-archive') is a free, open access source of unpublished preprints across the agricultural sciences.
AMRC Open Research	Open	A platform for rapid author-led publication and open peer review of research funded by AMRC member charities
APSA Preprints	Open	Early research outputs in political science and related disciplines
Arabixiv	Closed to Submission Only	The Arabic multidisciplinary preprint server for science.
ARPHA Preprints	Open	The submission systems limited to the participating ARPHA journals
ART-Dok	Open	ART-Dok is the full-text server of the Specialised Information Service for Art, Photography and Design, arthistoricum.net and is made available by Heidelberg University Library. It offers members of the academic community worldwide the opportunity to publish their texts in electronic format on the internet at no charge.
arXiv	Open	arXiv is a free distribution service and an open-access archive for 1,871,031 scholarly articles in the fields of physics, mathematics, computer science, quantitative biology, quantitative finance, statistics, electrical engineering and systems science, and economics. Materials on this site are not peer-reviewed by arXiv.
Authorea	Open	Authorea is the leading collaborative platform to read, write, and publish research.
Beilstein Archive	Open	The Beilstein Archives is currently limited to publishing preprints of unpublished research results in the fields of organic chemistry and nanotechnology. At this time, we are only publishing preprints that are intended for publication in one of the Beilstein Journals
Bepress Legal Repository	Open	The bepress Legal Repository offers working papers and pre-prints from scholars and professionals at top law s

Mobilizing Mini-Publics: The Causal Impact of Deliberation on Civic Participation Using Panel Data

Shelley Boulianne, Kaiping Chen, David Kahane

[PDF](#) Mobilizing mini-publics: the causal impact of deliberation on civic participation using panel data

[\[PDF\] macewan.ca](#)

[S Boulianne, K Chen, D Kahane - 2020 - roam.macewan.ca](#)

Abstract (summary) Deliberative exercises may re-invigorate civic life by building citizens' capacity to engage in other types of civic activities. This study examines members of a citizens' panel (n= 56) who participated in a six-day deliberative event on climate change and energy transition in Edmonton, Alberta (Canada) in 2012. We compared panelists' civic engagement, political interest, and political knowledge with those of the general population using a concurrent random digit dialing survey conducted 2.5 years after the event (n= 405) ...

OPTION 4: Negotiate to retain your rights.

THIS ADDENDUM hereby modifies and supplements the attached Publication Agreement concerning the following Article or Book Chapter (hereinafter, the **"Work"**)

(manuscript title – the **Work**)

(journal or book name)

The parties to the Publication Agreement and to this Addendum are:

(corresponding author, individually,
or if more than one author, collectively, the **Author**)

(the **Publisher**)

The parties agree that wherever there is any conflict between this Addendum and the Publication Agreement, the provisions of this Addendum are paramount and the Publication Agreement shall be construed accordingly. Notwithstanding any terms in the Publication Agreement to the contrary, **AUTHOR** and **PUBLISHER** agree as follows:

- 1. Author's Retention of Rights.** In addition to any rights under copyright retained by Author in the Publication Agreement, Author retains the right to (i) reproduce the Work in any material form for non-commercial purposes; (ii) perform the Work in public for non-commercial purposes; (iii) convert the Work by preparing derivative works; (iv) make a sound recording, cinematographic film or other contrivance by means of which the Work may be mechanically reproduced or performed for non-commercial purposes; (v) reproduce, adapt, and publicly present the Work as a cinematographic film for non-commercial purposes; (vi) communicate the Work to the public by telecommunication for non-commercial purposes; and (vii) authorize others to make any non-commercial use of the Work so long as Author receives credit as author and the journal or book in which the Work has been published is cited as the source of first publication of the Work. For example, Author may make and distribute copies in the course of teaching and research and may post the Work on personal or institutional Web sites and in other open access digital repositories.
- 2. Publisher's Additional Commitments.** Publisher agrees to provide to Author within 14 days of first publication and at no charge an electronic copy of the published Work in Adobe Acrobat Portable Document Format (PDF). The Security Settings for such copy should all be set to "No Security."
- 3. Acknowledgment of Prior License Grants.** In addition, where applicable and without limiting the retention of rights above, Publisher acknowledges that Author's assignment of copyright or Author's grant of exclusive rights in the Publication Agreement is subject to Author's prior grant of a non-exclusive copyright license to Author's employing institution and/or to a funding entity, such as an agency of the Canadian government, that financially supported the research reflected in the Work as part of an agreement between Author or Author's employing institution and such funding entity.
- 4. Publisher's Acceptance of this Addendum.** Author requests that Publisher demonstrate acceptance of this Addendum by signing a copy and returning it to the Author. However, in the event that Publisher publishes the Work in the journal or book identified herein or in any other form without signing a copy of the Addendum, Publisher will be deemed to have assented to the terms of this Addendum.

SUMMARY + SUPPORT

A circular wooden sign with a white background and a black border, hanging by two pieces of light-colored twine. The word "OPEN" is written in large, bold, black, sans-serif capital letters. Above and below the word are horizontal dotted lines. The sign is set against a dark, blurred background with some bokeh light effects.

OPEN

Before You Submit

- Verify open access options and costs.
- Evaluate carefully.

Repository Reminder

Depositing an author-accepted manuscript in RO@M is (almost) always a viable, no-fee option.

*Embargo periods may apply.
