A close-up photograph of a weathered brick wall. The bricks are reddish-brown and show signs of age, with some mortar missing and the surface appearing rough. A solid red rectangular banner is centered horizontally across the middle of the image, containing the word "CANCELLATIONS" in white, bold, sans-serif capital letters.

CANCELLATIONS

Recent Negotiations & Cancellations

Among the institutions that have cancelled big deals are the following. This list is by no means comprehensive. If you have others to add, or if you have information to enhance or clarify any of the stories below, please contact us using the buttons at the bottom of this page. You can view this data as a Google spreadsheet, and download it [here](#). The data is licenced [CC-0](#).

Florida State University	2019	United States	Elsevier	Florida State University Libraries sought to renegotiate the 20 year contract between Elsevier and the State University	The FSU Faculty Senate voted unanimously in March 2018 to endorse the Libraries' plan to cancel its Elsevier "big deal". The Libraries will	Undisclosed

PLAN S

“.... requires that, from 2021, scientific publications that result from research funded by public grants must be published in compliant Open Access journals or platforms” (Science Europe, 2019, para. 1).

*Work in progress

“.... seeks to shift the contracted payment from a library or group of libraries to a publisher away from subscription-based reading and towards open access publishing” (Janicke Hinchliffe, 2019, para. 3).

TRANSFORMATIVE AGREEMENTS

READ & PUBLISH

“.... an agreement in which the publisher receives payment for reading and payment for publishing bundled into a single contract”
(Janicke Hinchliffe, 2019, para. 13).

EQUITY IN OPEN KNOWLEDGE

“Are underrepresented groups included as full partners from the beginning? Are we supporting not only open access but also equitable participation in research communication? These questions will determine the extent to which emerging open systems for research will address inequities in the current system or replicate and reinforce them” (SPARC, 2019, para. 2).

Publication Consent

Do you consent to share the Citations from your published works with MacEwan University's Library for potential inclusion within the Institutional Repository, Research Online at MacEwan (RO@M), and in the Library's physical collection, as applicable?

Additionally, by giving consent to share these Citations, you grant the library permission to verify the appropriate copyright permissions.

If, at any time, after consent has been granted you wish to revoke your consent, please contact ecvsupport@macewan.ca.

MacEwan University's Library will contact you prior to any of your works being published to RO@M.

Yes, I give my consent
